

LifeSpan in the Community

On 8/20/24, Christine Davis, Director of Human Resources (second from right) and Darlene Hart, Director of Social Services (not pictured) attended Penn State Greater Allegheny in McKeesport to bring awareness to and drive campus awareness around what it means to grow older in Allegheny County.

This was a great opportunity to share LifeSpan's mission and engage with a community partner regarding aging, support services and remaining areas of need that still existing to support safety and community independence for older adults.
