

# Care Manager of the Month June 2025

*Care Managers of the Month  
are those who exemplify  
the work and care that  
LifeSpan prides itself on.*

*Mary Domino-Wilson*

This month's CMOM is pretty rad.  
First and foremost, look at our title **CARE** Manager. Right? May be the biggest  
part of our jobs. And to be able to care it takes something else: **Heart...**

All we can say is that she has a big heart and truly genuinely cares about her CNs.  
Our CMOM for June 2025 is none other than **Mary Domino-Wilson**. You can't  
see from the picture but the globe on the top is a disco ball and the lights are  
great when in a dimly lit place! Congrats Mary, not only from all of us at LifeSpan,  
but more importantly your consumers!

***Congratulations Mary!***
