

Care Manager of the Month

AUGUST 2025

This care manager exemplifies the work and care that Lifespan prides itself on.

Faduma Saleh

*This month's CMOM is some one who is soaring to new heights. Whether it's juggling a flood of phone calls from stressed-out consumers or keeping calm during a crisis, this CMOM does it all with grace. She even makes delightful balloon art for our holiday parties. **Faduma**, you're hardworking, dedicated, and honestly, kind of magical. Thank you for lifting all of us up!*
